AMENDMENT AFTER FINAL

In response to the Official Action, a Final Rejection dated July 5, 2001, (Paper No. 9), please amend this application as follows:

IN THE CLAIMS

Please amend the claims 13 and 17 to read as follows. A marked-up copy of the amended claims appears at the end of this paper.

C1

13. (amended) A system according to claim 1, wherein the measuring system is configured to allow a user of a terminal device to set a personal threshold value in the measuring system, and the measuring system is configured to send through the base station a personal message to the user's terminal device if the set threshold value is exceeded.
